Parents – we value your input to our school planning process. We will also be getting ideas from the children. I encourage you to provide us with any ideas that you might have. This will be combined with everyone else’s to form our directions for the future.

We are developing a three-year plan. We cannot do everything at once, and there are probably some things that we cannot do... but we will do our best, with your support.

- What do we want our school to “look like” in 3 years’ time? What will we see happening in the classrooms, the playground?

- How will parents be involved in our school?
